Arts Project 2003!!!

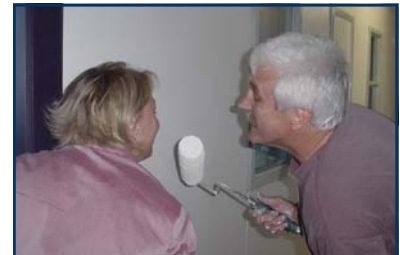

Drug Action Week is fast approaching and young people involved with Alliance services are creating art work for another exhibition at the Court House. As was the case last year young people will show case their work during Drug Action Week 23—28 of June. Contact **Di Schmidtke** the Coordinator of Zones for more information: 52214466.

**New Partnership Model
for the Barwon South West
Youth Alliance**

The Barwon South West region has received formal endorsement and funding for the community development project beyond this financial year.

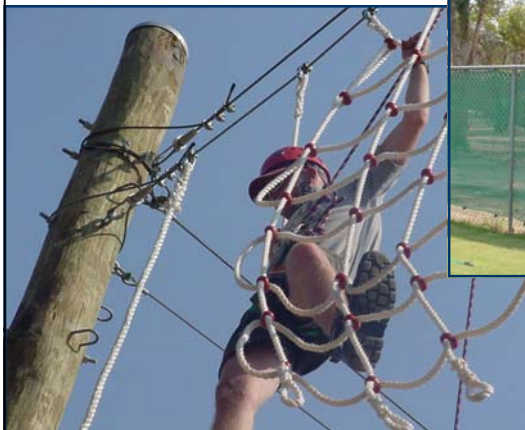

A new partnership model will replace the lead agency arrangement from the 1st of July 2003. The above outcomes recognize the effectiveness of the Community Development Project and strengthen ongoing collaboration between the 4 Alliance agency / service members and broader DTS providers in the region.
